COMMENTS OF PETITIONER, DON R. DAVIS

1. Don R. Davis is the licensee of FM radio broadcast station KQEO, Channel 264A, Grants, New Mexico. He has requested the reallocation of Channel 264A from Grants to Milan, New Mexico, and the modification of the station license to specify Milan as the city of license. On March 19, 1999, the Commission released its notice of proposed rule making (MM Docket No. 99-75, RM-9446, DA-99-502), proposing to amend the Table of Allotments, Section 73.202(b) of the Commission's Rules, to delete the allotment of Channel 264A from Grants, New Mexico, and add an allotment of Channel 264A to Milan, New Mexico. In the Notice, the Commission requested comment from the public on its proposal. These comments are responsive to that request.

2. Mr. Davis, as the proponent of the Milan allotment, herewith resubmits and incorporates by this reference his statements set forth in his petition for rule making.

3. Further, Mr. Davis hereby reconfirms his intention to operate station KQEO on Channel 264A in Milan, New Mexico, once the allotment is granted. This commitment is subject, however, to the potential assignment described below.

4. On April 15, 1999, Mr. Davis joined Palmer Radio, LLC ("Palmer") in submitting an application, on FCC Form 314, requesting the consent of the Commission to his assignment of the license of station KQEO to Palmer. Obviously, once the Commission grants its consent to this assignment, and the parties close the subject transaction, Mr. Davis will no longer be in a position to operate station KQEO in Milan. Rather, Palmer would operate KQEO with the new allotment.

5. In view of the foregoing, Don R. Davis urges the Commission to issue a Report and Order effectuating the proposal described in the rulemaking notice in this proceeding.

Respectfully submitted,

DON R. DAVIS
